

FLORIDA ASSOCIATION FOR INFANT MENTAL HEALTH

INFANT/EARLY CHILDHOOD MENTAL HEALTH ENDORSEMENT®

Mental Health Mentor-Clinical

Scope of work:
Treatment
& Leadership

Serves
children ages
0-6

WHO

Parent-Infant Psychotherapist, Parent-Child Psychotherapist, Early Childhood Mental Health Specialist, Private Practice Therapist, Reflective Supervision Provider, etc.

DO YOU...

- Accurately interpret information from informal and formal observations and assessments to identify capacities and strengths as well as developmental delays and/or emotional disturbances in infants and young children served?
- Effectively implement relationship-focused, therapeutic parent-infant/young child interventions that enhance the capacities of parents/caregivers and infants/young children?

DO YOU...

- Provide reflective supervision/consultation to infant and/or early childhood mental health professionals?
- Mentor novice practitioners, students, and other colleagues to develop infant and early childhood mental health skills?
- And more?

IF YOU ANSWERED YES...

- You provide culturally sensitive, relationship-focused, infant and/or early childhood mental health treatment services intended to explicitly address issues related to attachment, separation, trauma and unresolved grief and loss as they affect the attachment relationship, development, behavior and care of the young child.
- You are a recognized infant and early childhood mental health leader in your community.

RECOGNIZE YOUR EXPERTISE

Endorsement® connects your professional experiences with a set of competencies that recognize your infant and/or early childhood mental health treatment and leadership expertise.

BENEFITS OF ENDORSEMENT®

- Enhance the quality of your relationship-based services
- Participate in ongoing and targeted professional development opportunities
- Join an international network of infant and early childhood professionals
